Subject : Applying for a room at Basser College

Dear Sir or Madam,

I hope you are well. My name is Livane Masse. I am a student at Polytech Clermont in France and I am preparing for an exchange program at the University of New South Wales for the 2025-2026 academic year. I would like to live in a Residential College while studying at UNSW so I am writing to apply for a room at Basser College.

I am particularly interested in Basser College because it has every features I will need as a student. But also its convenient location close to the campus, and the safety it provides. It would be a great advantage for me to be able to live in your residential rooms. I also believe that the dynamic student community of Basser College will help me integrate into student life.

Could you give me some details on the application process, including deadlines for submitting an application? I would also be grateful for information on the resident fees for 2025-2026 and the payment methods that are available.

Thank you for considering my request. I look forward to your response.

Best regards,

MASSE Livane
